The BLM conducted the pilot project based on feedback from the OHV racing community. The summary highlights opportunities to reduce costs of special recreation permits. Staffs for Representatives Kevin McCarthy and Paul Cook have been interested in this issue. This is not expected to be controversial.

**The week of September 11**, Marcia Pablo, Tribal Coordinator for the BLM Montana/Dakotas, will meet with the Rosebud, Pine Ridge, Lower Brule, Crow Creek, Cheyenne River, and Yankton tribes in South Dakota. The meetings are meant to enhance and build relationships with the tribes. Meetings will also be scheduled with the Fort Peck, Blackfeet, Crow, and Northern Cheyenne tribes in Montana.

**On September 13-14**, BLM acting Director Michael Nedd will attend the Public Lands Foundation's annual meeting in Salt Lake City. The theme of the meeting is "Keeping Public Lands in Public Hands." He has been asked to update the group on BLM issues.

BLM-AK continues work on the Ambler Mining District Industrial Access Road Environmental Impact Statement for a proposed 211-mile controlled industrial access road in the southern foothills of the Brooks Range. Once the third-party National Environmental Policy Act contractor is selected in September, they will develop a project management plan and scoping strategy for rural communities, as well as Anchorage and Fairbanks. The public scoping period ends January 31, 2018.

**During the week of September 11**, BLM-AZ will announce the acquisition of the 600-acre ET Ranch in Southeastern Arizona, through a shared conservation partnership with the Trust for Public Land and Arizona Game and Fish Department. The acquisition will open access for hunters, hikers, and backpackers to 32,600 acres of Federal wilderness area for the first time and is supported by 20 Arizona hunting and sporting groups.

**On September 12**, Greg Fesko, Coal Program Coordinator from the BLM Montana/Dakotas State Office and BLM personnel from the Miles City Field Office and North Dakota Field Office will conduct a public hearing at the Betty Hagel Civic Center in Center, ND, to accept public comments on the 160 acre BNI Coal Federal Coal Lease-by-Application Environmental Assessment (EA), fair-market-value, and maximum economic recovery of the tract. The EA was made available to the public on August 23 and the public comment period will end October 12. No controversy is expected.

**On September 12**, Tim Fisher, the BLM National program lead for National Monuments, and Dorothy Morgan, BLM Outdoor Recreation Planner for the Division of Recreation & Visitor Services will be meeting with an International Visitor Leadership Program group to present on Innovative Tourism Management for an eight-person group of Iceland government officials and politicians. **On September 14**, BLM-CO will begin gathering up to 100 wild horses in the Cathedral Creek area in northwest Colorado. These horses have moved outside the boundaries of the Piceance-East Douglas Herd Management Area onto private land and the private landowner has requested their removal. The BLM may use helicopter trapping to gather the horses. Public viewing will not be permitted. The field office currently estimates there are 217 wild horses in Cathedral Creek outside the HMA.

**On September 13**, BLM-AK will facilitate its monthly planning meeting with the Native Village of Nuiqsit and cooperating agencies for the Greater Mooses Tooth 2 (GMT2) project. The agenda includes a GMT2 project status update and preliminary discussions about preferred access road alternatives for the Draft SEIS, which is scheduled to be released this November.

### **30 - 60 Day Look-Ahead**

**On September 18**, BLM-MT Acting State Director Jon Raby will meet with Chairman Azure of the Fort Peck Tribes in Poplar, MT, to provide an update on the status of the Keystone Pipeline. The purpose of this government-to-government informational meeting is to discuss the Tribe's concerns and questions regarding the pipeline, such as the proposed route. The proposed route of the pipeline crosses the Missouri River above the intake of the reservation's community water system. The path may also cross areas of cultural significance to American Indians.

**On September 18**, the public comment period closes on the BLM-NV December 2017 Oil and Gas Lease Sale Preliminary Environmental Assessment. A Competitive Oil and Gas Lease Sale will be held on December 12.

**On September 18-19**, BLM-MT Eastern District Manager Diane Friez and ND Field Manager Loren Wickstrom will attend the quarterly Fort Berthold Federal Partners Meeting in Lakewood, CO. The meeting will address ongoing issues and challenges associated with Bakken development of oil and gas on the Fort Berthold Indian Reservation.

**Through September 18**, the BLM-CO's Tres Rios Field Office is seeking public comments on a proposal to expand the existing Montoya gravel pit near Durango, from 60 acres to 106 acres. The Montoya pit, owned and operated by C&J Gravel Products, produces a variety of products for public roads and commercial construction as well as home landscaping and driveways. Mineral materials in the existing Montoya Pit are expected to be depleted in 2018. This expansion also requires the re-routing of portions of three BLM trails.

**On September 21-23**, John Ruhs, BLM acting Deputy Director, will attend the Public Lands Council Annual Meeting in Flagstaff, AZ. He will provide an agency update during the general meeting and will participate in a signing ceremony for the Monitoring Memorandum of Understanding with PLC during this session. The MOU provides a framework to improve the quality and quantity of short- and long term allotment level monitoring information on BLM-administered rangelands and provides opportunity for cooperation, communication, and consultation between permittees/lessees and the BLM. In addition, he will help present Stewardship Awards for 2017.

**On September 21**, BLM-ES and BLM-WY will hold oil and gas lease sales. BLM-ES will be offering six parcels covering 191.71 acres and BLM- WY will be offering 140 Parcels covering 118,055.54 acres.

Approximately 180 horses, featuring Cedar Mountain weanlings and Sulphur yearling horses, will be available for adoption.

**From September 24-30**, Larry Claypool, BLM Associate State Director in Wyoming, will be traveling to Canada to visit Winnipeg, Thompson, Estevan, Regina, Fort McMurray, and Calgary as part of an US-sponsored energy tour. As part of this tour, he will meet with Canadian Government and energy industry officials to discuss innovations in the oil and gas sectors, carbon capture, and the energy relationship between Canada and the United States.

The 60-day public comment period for the proposed rule to rescind the 2015 Hydraulic Fracturing Rule will end September 25. The BLM's proposal supports Administration priorities that require agencies to seek ways to reduce the costs of regulatory compliance and reduce regulation and control regulatory costs. It would also require the Secretary to review four specific rules, including the BLM's 2015 final rule on hydraulic fracturing. The BLM will review the comments received, prepare responses and take any other actions determined appropriate in order to address the substantive comments received. In addition, the BLM anticipates sending letters in late August to initiate tribal consultation for the proposed rule with interested Indian tribes. Publication of a final rule in the Federal Register is tentatively expected in December 2017 or January 2018.

**On September 29**, the last short-duration shut down of the Trans-Alaska Pipeline System for 2017 will occur. The shutdown was rescheduled from Sept. 1 to Sept. 29. Alyeska is also scheduled to perform critical repairs to the tank hydrocarbon vapor flare tip at Pump Station 1 from Sept. 9-14.

**On September 29**, the BLM Bakersfield Field Office will escort the U.S. Attorney's Office to the origin of the 2016 Erskine Fire for an inspection of the site. The Erskine Fire was the most destructive wildfire of the 2016 California wildfire season. The Kern County Fire Department conducted an investigation at the request of the BLM and determined that the cause of the fire was tree limbs that grew into electrical lines that supplied power to buildings utilized by an archery club. The tour is being conducted as part of ongoing litigation.

**In late September**, BLM-UT's Canyon County District and the Manti-La Sal National Forest intend to approve a mine plan modification for the La Sal Uranium Mine Complex to consolidate plans of operation for several mines, and authorize expansion of operations and phased expansion of exploration. The decision will include additional safety, environmental protection, and reclamation measures and monitoring requirements. The project is expected to generate 80 to 130 jobs.

**On September 30**, National Public Lands Day, the BLM will showcase over 120 projects and is on track to mobilize approximately 10,000 volunteers in support of those projects. The BLM is developing a website that will enable prospective volunteers to locate BLM projects in their areas.

This meeting will be in preparation for the Sage Grouse Task Force meeting later in the month.

**On October 23-24**, a Sage Grouse Task Force meeting is scheduled in Denver to discuss Secretarial Order 3353. The group will discuss any additional issues or concerns raised by stakeholders, specific proposed policy changes, and any remaining issues that may require a plan amendment. The SGTF is led by the Governors of Wyoming and Colorado and includes membership from the 11 sage-grouse States, BLM, Forest Service, Natural Resources Conservation Service, USGS, and the Fish and Wildlife Service.

**On October 24**, the BLM-NV State Office will host a competitive sale of geothermal leases for 18 parcels located in the Carson City, Ely, and Battle Mountain Districts. This will be the first online geothermal lease sale for NV. This lease sale is not expected to be controversial. At this time, the BLM cannot predict the level of bidding interest.

**On October 25**, BLM-OR/WA Prineville District Manager Dennis Teitzel will meet with Crook and Grant county courts to brief commissioners on BLM activities in or affecting these counties. This is a semi-annual briefing requested by the courts.
